## *Girls & Boys Youth Locals League*

*951 Elite and Club West are introducing our Youth Locals League to players 8<sup>th</sup> grade and younger who are interested in Club Volleyball, but don't have either the time commitment or are looking for a more cost-effective option. Players will practice once a week and play a tournament at local sites against other Locals Teams once a month (5 tournaments total). These "Locals Program" Players will receive the same training and instruction from the 951 Elite and Club West staff, and learn critical team skills necessary for competition. This is a perfect program for young players looking to gain more experience and enjoy club volleyball.*

***Cost: \$150 / month*** (Plus one-time registration fee of \$100)

This program includes:

- T-shirts and a pair of spandex.
- Club-level training.
- Practice once a week.
- Competitive games once a month.
- Practices start in November, Tournaments begin in January

Register online for this new Youth Locals League at the club program nearest you:
